

Minnkota Windows™

1 1/2" Retro Brickmould

- Identical functionality to current 2" Retro BM
- Virtually maintenance free
- Removable cap allows for trouble-free fastening
- Ability for 2 1/4" interior casing eliminates paint lines or need for wider casing
- Gives appearance of mitered wood exterior without the maintenance of wood/paint brickmould
- Cut labor costs...no need to bend metal
- Factory application eliminates potential moisture problems
- Install adjacent to existing siding J-channel
- Unique to Minnkota Windows™
